

Kids Leadership Program Application

I, _____ (*student's name*) am hereby applying to become a Student Leader for the next six months. I understand that in that time I am expected to consistently demonstrate **self management, being a role model** and **taking initiative** to help other students.

Applicants must have achieved at least the rank of green belt (8th kyu) to be eligible to apply. Furthermore, to be accepted into this program I understand that I will be observed, coached, and provided feedback for **three weeks** to show I can demonstrate the qualities of a Student Leader. At the end of my three weeks, I will attend a Tanuki Kids class and lead part of the class.

After being accepted into the Student Leader Program, I am expected to attend class regularly, including attending **at least one Tanuki Kids class per month** in which I will lead part of the class.

I understand that if I am not helping with Tanuki Kids classes each month and/or am not demonstrating appropriate behavior *I may lose my status as a student leader.*

I have read and understand the guidelines of the Kids Leadership Program and would like to apply to become a Student Leader:
